A Letter from our Superintendent

Dear Friend:

Here it is - another REFLECTOR, dedicated to the Glory of God. The Glory of God is seen as a reflected image in people and things about us. In fact, it is the obligation of the Christian to glorify God as He reflects His glory through us. "The same God who said 'Out of darkness light shall shine', has shone in upon our hearts, so that we should bring out into the light the knowledge of the Glory of God, seen in the face of Christ." II Cor. 4:6

What you see on these pages - students, buildings, organizations- REFLECT the glory of God. Here are the young people God has sent. These are the facilities and improvements God has provided. Here again are the activities which are God-honoring. We trust it will be interesting to glimpse REFLECTIONS of school life but most of all of the Glory of God as you page through this book.

Silently and without image, but in a definite way, this annual also REFLECTS the prayers and consecrated interest of the friends of Christian Education who have made this school possible. We this REFLECTOR be a token of appreciation and a reminder to you who have labored diligently in one way or another for Nebraska Christian High School.

Yours for Christian Education,

Walter O. Ediger

M I S S I O N A R Y C O N F E R E N C E

April 17-19 were days filled with spiritual blessings as students, staff, and visitors listened to Wolfe Hansen of West Indies Mission and viewed slides from around the world, shown by Ernest Green of Berean Mission.

Roommates share blessings of The Word each night during "Quiet Time" and the girls of West Hall may group together for prayer on Tuesday nights.

Mr. Smith's Sophomore Bible Class listening to guest speaker Wolfe Hansen from Cuba. They studied Bible characters and The Song of Solomon.

Spiritual Emphasis In Every Class

In the Home Ec. classes (sewing, cooking, home nursing,) Christ is honored as the girls learn to be Christian homemakers. "A woman that feareth the Lord, she shall be praised."—Proverbs 31:30b

Shop: Who knows how the experiences of working together and the craftsmanship learned here will be used for the Lord in the future?

Biology: Students realize the hand of God in our world and only principles which can be backed by the Bible are taught.

Basic Music: Learning to direct congregations in the singing of Christian music.

WORLD GOSPEL CRUSADE - BANK VS. CANDY -

The Gospel Team placed a bank in the candy store to urge students to contribute toward spreading Gospel literature instead of buying quite so much candy.

One of the several groups of Gospel Team representatives, preparing to leave for a service in a rest home. Members conduct the entire service, including special music and the

message. Transportation is paid by the Team's contributions to the General Fund. Tracts are given out at services and by students on weekends.
